MRS. JOHN C. BALIS.

A Brief Tribute to a Devoted Wife and Mother.

A great loss has been sustained by the community in the death of Mrs. Balis, whose funeral was held from Holy Trinity Episcopal Church yesterday morning at 10:30 o'clock, and was attended by a large gathering of friends and neighbors, the floral tributes from the church societies and friends being a beautiful testimonial of the esteem in which she was held.

Mrs. Nellie M. Balis was born in Utica, N. Y., and was in her 58th year at the time of her death. She was married December 1st, 1869, to Mr. John C. Balis of Oriskany, N. Y., who survives her with two daughters, Misses Florence and Grace. She was educated at Willard's Female Seminary and there developed the talent which made her one of the best known musicians in this section of the State during her residence in Gainesville of nearly twenty years.

Only a few days before Mrs. Balis' death word was received of the death of her brother in New York, but owing to her critical condition she was not informed of it, and died without knowing that he had gone before. The only surviving member of her immediate family is a brother who lives in St. Louis, Mo.

Mrs. Balis will be greatly missed by a large circle of friends to whom she has endeared herself by her kindly sympathy and an invincibly cheerful disposition. The bereaved family has the heartfelt sympathy of the whole community.

LABOR TROUBLES.

What It Costs to Dig Sweet Potatoes in This Section.

One of our business men made a contract to take a quantity of sweet potatoes in payment of a debt, but the potatoes were still in the ground and he was obliged to hire a man to dig them, in order to get his pay.

He engaged one of our distinguished Afro-American citizens to do the work, and with his white mule to assist the man of color set to work, as he says, at 6 o'clock in the morning. He labored very faithfully (?) until 5 o'clock in the afternoon, when he brought the sweets to the man, that had hired him, there being a barrel and little over a half in the whole lot. He said he had kept busy all day. The business man offered to give him the potatoes in payment for his day's work, which he declined and received \$1.50 for his labor.

As there was no other way out of it, the cash was paid, and the laborer went on his way, feeling that he was worthy of his hire. If you want to know what he has learned about farming, ask M. B. Saunders for particulars.

On account of the annual meeting of the Southern Educational Association, which meets at Nashville, Tenn., November 22-25, the Atlantic Coast Line Railway has arranged to sell tickets at one first-class fare plus twenty-five cents for the round trip. These tickets will be on sale November 20th and 21st; final limit of same will be November 30th. For full information or sleeping car reservations see Atlantic Coast Line agents or write Frank C. Boylston, District Passenger Agent, Jacksonville, Florida.

The Exact Thing Required for Constipation.

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for children and without the terrible griping so common to most purgatives," says R. D. Webster, Esq., Co., Ontario, Canada. For sale by all druggists.

Keep Your Head Clear

And your stomach free from indigestion if you would be happy with your family and your fellow-man.

The surest thing on earth to get a man's system "out of whack" is heavy, soggy bread, which is caused by several reasons: First, the material may not be good; second, the cooking may be poor. The best flour in the world will make the heaviest bread if improperly mixed or cooked. WE USE THE BEST FLOUR and our "long suit" is knowing how to mix and bake it. Our bread does not cost any more than home-made, and in many instances it is so much more palatable.
